

TALKING FROG

The talking frog is a very dynamic and interesting paper model.

1. Fold the left edge over to the right and unfold.

2. Fold the top corners in the crease.

3. Fold down the top triangle.

4. Turn over.

5. Fold the sides in to the middle.

6. Fold the top inside corner of each flap to the outside edge.

7. Reverse fold A and B in to the centre crease to lie behind C and D.

8. Turn over.

9. Fold the bottom corner of the diamond up to the top.

10. Fold over and over a strip of paper, which is a little longer than the height of the model.

11. Make a small tear across the middle of the model near the bottom edge. Put the strip through the tear and push it up under the top triangle as far as it will go.

12. Fold the bottom corners behind. Fold down the front and back triangles at the top to make the mouth come forward.

13. The Talking Frog is now complete. Draw the eyes. Hold as shown and move your right hand up and down. The frog will talk.
