

Stretchable Stomach

This toy is a source of endless amusement for little children. Paste a white paper on the outer case of a cardboard matchbox and also on its drawer. Draw a cat as shown. When the drawer is slid inside, the cat appears in its normal size. On pulling the drawer out, it appears as if the cat has a stretchable stomach.

In another variation of this toy, the neck of a giraffe can be stretched, much to the amusement of children!
