Call Centre

A centre that is equipped to handle large volume of calls.

In a call centre you solve problems, listen to complains, provide information on phone or internet from a remote location. Call centers work round the clock.

Remuneration and perks at call centre is quite decent.

Advantages:-

- Good Salary.
- Pick and drop facility provided by employer.
- Bright opportunities.
- Less qualification required.

Disadvantages:-

- Shift Duties.
- Odd hours of working / Sleeping disorder
- Long sitting puts extra strain/posture problem.
- Irregular eating habits.
