

Dear School Principals,

We hope this letter finds you in good health and high spirits. It gives us immense pleasure to introduce a new initiative aimed at fostering collaboration and resource sharing among schools offering CBSE Skills Courses.

We are excited to announce the creation of WhatsApp groups dedicated to Skills Courses. These groups serve as platforms where educators, administrators, and students can come together to exchange ideas, share resources, and seek assistance regarding various skills courses offered by CBSE.

In these WhatsApp groups, participants are encouraged to:

- ❖ Share their questions and doubts related to CBSE skills courses.
- ❖ Showcase the innovative practices and activities conducted in their respective schools.
- ❖ Exchange educational materials, resources, and lesson plans.
- ❖ Engage in discussions to enhance teaching methodologies and student learning outcomes.
- ❖ Collaborate on projects and initiatives aimed at promoting skill development among students.

We believe that these WhatsApp groups will not only facilitate communication and collaboration among schools but also serve as a platform for continuous professional development and knowledge sharing.

As a participant in these groups, your school will have the opportunity to:

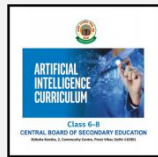

- ❖ Benefit from the collective expertise and experience of educators across different schools.
- ❖ Showcase your school's best practices and success stories in implementing CBSE skills courses.
- ❖ Access a diverse range of educational resources and materials shared by fellow participants.
- ❖ Engage in meaningful discussions and collaborations to enhance the quality of skill-based education.
- ❖ We encourage you to actively participate in these WhatsApp groups and leverage this platform to enrich the teaching-learning experience in your school.
- ❖ Thank you for your attention, and we look forward to your active participation in these groups.

Warm Regards

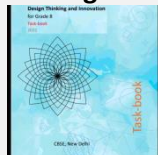

Team
